Annexure D : Additional Conditions of Contract

1- Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- (i) If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price is as quoted shall govern and the unit price shall be corrected:
- (ii) If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected: and
- (iii) If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in word is related to an arithmetic error, in which case the amount in figures shall subject to (1) and (2) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors. Its Bid shall Be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

2- Procuring Entity's Right to vary Quantities

- (i) If the procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- (ii) In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract. If the Supplier fails to do so, the procuring Entity shall be free to arrange for the balance supply be limited Bidding or otherwise and the extra cost incurred shall be recovered from the supplier.

3- Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods)

As a general rule all the quantities of the subject matter of procurement shall be procured from the Bidder, whose Bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the Bidder, whose Bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the Bidder, whose Bid is accepted and the second lowest Bidder or even more Bidders in that order, in a fair, transparent and equitable manner at the rates of the Bidder, whose Bid is accepted.
